RE: Documentation of authority to sign pretreatment reports.

PURPOSE: Pretreatment rules at 40 CFR 403.12(l) specify who can sign reports required by industries subject to the Pretreatment Regulations in 40 CFR 403. These rules require the information on this form and apply to those signing electronic submissions as well. Accordingly, this form must be provided before ADEQ can accept documents submitted by an individual.

APPLICABILITY: The below authorization is for submittals required of:

INTIMIDATOR, INC. (Name of Company)

CERTIFICATION: I understand: A) the information I provide on this form is governed by rules for civil documents and the Clean Water Act. B) I must submit a new form to ADEQ when this information changes. C) I may need to periodically provide ADEQ a new form so they can verify the information is current and valid.

I am (check one)

A general partner or the proprietor of the business for which the permit is issued. **OR**

A responsible corporate officer. Specifically I am (further check one of the two below)

A president, secretary, treasurer, or vice-president of the corporation in charge of a principal business function, or a person who performs similar policy- or decision-making functions for the corporation. **OR**

The manager of one or more manufacturing, production, or operating facilities, authorized to make management decisions which govern the operation of the regulated facility including having the explicit or implicit duty of making major capital investment recommendations, and taking measures to assure compliance with environmental laws and regulations.
