RE; TBLL certification and new Pretreatment Ordinance for City of De Queen.

Dear Sir,

I certify that Table III metals entering the POTW headworks are at domestic concentrations, local limits for metals are not necessary at this time as confirmed by PPS calculations during permit renewal. The plant upgrade has solved the TKN problem.

Please accept this updated Pretreatment Ordinance which follows. If you have any questions call me at 870-642-5231.

Sincerely,

Michael Sims
