Mrs. Belcourt:

I hope you are having a good day. I have done something and I hope you can help me. I have had a lot of pump trouble and things go on here at the plant and I realized I had not done my Table III for April, May and June quarter. we seem to have things straightened out now . I can do the influent June 27 and 28 2023. The Effluent would be July 11, 12 2023. I hope this can be done I am sorry for this happening.

Thank you,

Kevin Funderburk
