Mr. Carlyle,

Your annual Pretreatment Report was received on 1/22/11, reviewed, deemed complete and compliant with the reporting requirements under 40 CFR 403.12(i). No further action is required at this time.

One question: On "Attachment A – Updated Significant Industrial Users List", last column titled "Permit Limits", what does your statement, "Have been turned over to State to Approve" mean? This column is your industry limitations, not the City's.

Thank you for your timely submittal and cooperation in remaining compliant with the Federal Pretreatment Regulations in 40 CFR 403.

Sincerely,

Allen Gilliam
