Subject: Little Rock's (AR0021806) Categorical Determination of Wellspun & ADEQ Concurrence Aug 09

Jeff and Allen,

This office concurs with your determination Wellspun's steel rolling/welding processes do not fall under any of the regulated 40 CFR 420 effluent guidelines/pretreatment standards.

Thank you for your detailed/written explanation dated 8/27/09.

Sincerely,

Allen Gilliam
ADEQ State Pretreatment Coordinator
