Nancy,

Your submittal satisfies Bentonville's NPDES Section B. Permit Compliance Schedule, Paragraph A.

You have certified that a technical evaluation has demonstrated that the existing technically based local limits (TBLL) are based on current state water quality standards and are adequate to prevent pass through of pollutants, inhibition of or interference with the treatment facility, worker health and safety problems, and sludge contamination.

Thank you for the timely submittal.

Sincerely,

Allen Gilliam
ADEQ State Pretreatment Coordinator
