Re: Change of Signatory Authority Form for the L. A. Darling Company facility located in Corning, AR. (AFIN # 11-00046 / Rural Industrial Pretreatment discharger)

Dear Mr. Gilliam:

Enclosed, you will find an executed copy of a Change in Signatory Authority Form for the L. A. Darling Company facility located in Corning, AR. This form is necessary, due to the establishment of a new Cognizant Official who is responsible for signing the Semi-Annual Wastewater Reports for the referenced facility.

Based on previous communication by our environmental consultant (Mr. Andy Stickler), we have conveyed to ADEQ the fact that Mr. Jackie Elliott is the appropriate Cognizant Official who is authorized to sign the Semi-Annual Wastewater Reports generated by the L. A. Darling Company – Corning, AR facility. Mr. Elliott was recently promoted to the position of President of L. A. Darling Company, and this form will officially document his signatory authority for the Semi-Annual Wastewater Reports.

You will note that, Mr. Randy Guthrie, (Group President within The Marmon Group, Inc. - with corporate responsibility for L. A. Darling Company), has signed this Change in Signatory Authority Form as the Ranking Official for L. A. Darling Company.

As always, please don't hesitate to contact me directly, or our consultant (Mr. Andy Stickler – at (870)236-0832), should you have questions or need any additional information. Thank you so much for your patience and consideration with this matter.
