Re: ContiTech's August 2012 Semi-Annual Report
(Permit No. AR0035602 AFIN 56-00389 ARP001034)

Dear Mr. Copeland:

The Department has reviewed ContiTech's August 2012 Semi-annual Pretreatment Report and the report is complete.

Effective August 13, 2012, Parker Hannifin sold the Trumann facility to ContiTech. The AFIN and permit numbers will remain the same for this facility.

Pending no changes in the processes and no challenges by ContiTech's management, ContiTech will continue to report as a 40CFR433 Categorical Industrial User. Please have Mr. Rick Izor, Corporate Div Mgr, complete the attached form. At Mr. Izor's option, he may designate Mr. Gary Wrinkle, Facility Mgr, as the local 40 CFR 403.12(l) cognizant official. In the latter case, Mr. Wrinkle can complete the form.

The Department appreciates ContiTech's continued efforts in semi-annual reporting. If you have any questions or concerns, please contact the Department at (501) 682-0626 or by email at torrence@adeq.state.ar.us.

Sincerely,

Rufus Torrence, Pretreatment Engineer
Water Division

“I certify that the cognizant official designated in this Permit Transfer Form (Section II) is qualified to act as a duly authorized representative under the provisions of 40 CFR Part 122.22(b). If no cognizant official has been designated, I understand that the Department will accept reports signed by the applicant. I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.”

In addition, I certify that there will be no operational changes that warrant a permit modification. (Please note that if there are changes that warrant a permit modification, then you must submit a complete application, updated plans, design calculations and specifications, and the permit modification fee along with this Ownership Change Form. The transfer may be made effective prior to permit modification.)
