Re: Roach Manufacturing Toxic Organic Management Plan (TOMP)
(Permit No. AR0035602 AFIN 56-00031)

Dear Mr. Roach:

The Department has reviewed and approved Roach's TOMP. In reference to the semi-annual reports required by 40 CFR 403.12(e), Roach may elect to submit the certification for TTOs in lieu of testing for them. However, if Roach elects to test the wastewater entering the POTW for any TTOs in the future, Roach must submit the results of the tests to ADEQ for review.

The Department appreciates Roach's continued efforts in semi-annual reporting. If you have any questions or concerns, please contact the Department at (501) 682-0626 or by email at torrence@adeq.state.ar.us.

Sincerely,

A handwritten signature in blue ink that reads "Rufus Torrence".
