Richard,

Street and Performance's (S&P) no discharge certification was received 5/24/16 (attached). No reports have been received by this office since ~12/15/15.

Please keep in mind S&P's periodic reports are due during the months of March, June, September and December of each year. The attached report is considered a late report (due in March '16).

Please keep these months on a permanent calendar/auto-reminder to avoid the continuing late reports from S&P. S&P's next periodic report is actually due this month.

Sincerely,

Allen Gilliam
