Richard,

Street & Performance's (S&P) signed certification of "no discharge of regulated wastewater" was received on November 6, 2014, and deemed compliant with the reporting requirements per 40 CFR 403.12(e).

Please keep in mind, S&P must submit quarterly Pretreatment reports to ADEQ and the City of Mena regardless of whether any regulated wastewater (Metal Finishing under 40 CFR 433.17) was discharged to the City's collection system or not. Those reporting months were agreed upon and are due during the months of September, December, March and June of each year.

Sincerely,

Allen Gilliam
