Ms. Campbell,

Your quarterly Pretreatment Report was received electronically on 9/13/11 and reviewed. It was noted you certified there was no regulated wastewater discharged from your Metal Finishing processes into Mena's sewage collection system.

As per the agreement between Street and Performance (S&P), the City of Mena and ADEQ, quarterly reports are due from you during the months of September, December, March and June of each year. Even if there is no discharge of regulated wastewater from S&P, a quarterly report stating this is still required.

Thank you for cooperation.

Sincerely,

Allen Gilliam
