Richard,

Street and Performance's (S&P) periodic report (attached) was electronically received and reviewed. S&P's "no discharge of regulated process wastewater since 4/9/13 through 1/29/14" will be recorded.

Please allow this office two to three weeks in advance of any regulated/treated wastewater to be discharged to the City as I would like to conduct a compliance assurance visit (CAV) with sampling soon.

Thank you for your "no discharge" report and certification.

Sincerely,

Allen Gilliam
