Subject: AR0043389_Euramax ARP001044 late Aug 2016 semi annual Pretreatment report notice_20161004

Seth,

This office is still not in receipt of Euramax' August 2016 semi-annual Pretreatment report. If said report is not received by this office before close of business 10/15/16, Euramax will meet the Federal Pretreatment Regulations' criteria of significant non-compliance per 40 CFR 403.8(f)(2)(viii)(F) and formal enforcement actions may be executed by ADEQ's Office of Water's Enforcement Branch.

Per your below correspondence, this office was expecting Euramax' semi-annual report at least mid-September.

Thank you for your prompt action in addressing this issue.

Sincerely,

Allen Gilliam

Mr. Gilliam,

I spoke with Ms. Teresa Melton at Euramax early last week, and she mentioned that a new employee has incorrectly pulled one of the samples. The new sample was submitted to American Interplex last week and they expect the results in the next day or two. We will be ready to immediately submit the report upon receiving those results.

Thank you!
Seth Gately
