Subject: Jonesboro (AR0043401) TBLL notification

Myra and Susan,

Let this correspondence serve as confirmation this office rec'd your (signed by Mr. Jake Rice III, P.E.) notification on 1/31, you are re-evaluating technically based local limits and will submit those and a revised Pretreatment Ordinance within twelve months from the effective date on your permit.

This fulfills your permit notification requirement in Part III, paragraph 7.b.

Paragraph 7.a. also requires submittal of any program mods to be current with the (at least the required) modifications made to the National Pretreatment Program's revisions resulting from the "Streamlining Rule" (10/05), within twelve months from the effective date on your permit.

Please respond you rec'd this e-mail and thank you,

Allen Gilliam
ADEQ State Pretreatment Coordinator
