To whom this may concern,

Thank you for addressing the issue of non-compliance in regards to the underground storage tank system at the facility referenced above. After review, DEQ has verified that spill prevention is now operating in accordance with 40 CFR 280 and Arkansas Reg. 12.

Based on review of the evidence submitted, no further action is necessary at this time. If you have any questions concerning this matter or any other compliance related issue, please contact me at (d) 501-682-0610 or (c) 501-837-6964.

Sincerely,

A handwritten signature in cursive script that reads "Riley Carlisle".
