**SUBJECT: Notification of Placement of Interm Cover
Class 4 Landfill, Permit # 123/163
Waste Management Tontitown Landfill**

Dear Mr. Little:

This letter is to notify the Arkansas Department of Environmental Quality (ADEQ) that Waste Management (WM) is placing a compacted clay cap and vegetative cover on the old Class 4 Landfill (Permit 123/163) at the Tontitown Landfill facility. The area that will receive this intermediate cover consists of approximately 10 acres. The construction activities are scheduled to occur in June 2000.

If after receipt of this letter you have any questions, please call at your convenience

Sincerely,
Waste Management
