Mr. Dennis Burks,
Arkansas Department of Environmental Quality
8001 National Drive
P.O. Box 8913
Little Rock, Arkansas 72219-8913

**SUBJECT: Solid Waste Transfer Station and Compost Annual Reporting
Waste Management**

Dear Mr. Burks:

Genesis Environmental Consulting, Inc., on behalf of Waste Management, is submitting the Annual Reports for the following Solid Waste Transfer Stations and Composting Facilities in Arkansas:

- x 12597 ■ Tontitown Transfer Station (Permit No. 023-SG-TSW)
- 12598 ■ Tontitown Compost Facility (Permit No. 0013-SG-CYW)A
- 12599 ■ Rogers Transfer Station (Permit No. 0025-SG-TSW)A
- 12600 ■ Wynne Transfer Station (Permit No. 0022-SG-TSW)A
- 12601 ■ Harrison Transfer Station (Permit No. 0024-SG-TSW)A
- 12602 ■ Harrison Compost Facility (Permit No. 0014-SG-CYW)A
- 12603 ■ Ozark Transfer Station (Permit No. 0087-SG-TSW)
- 12604 ■ Van Buren Transfer Station (Permit No. 0084-SG-TSW)
- 12605 ■ Razorback Transfer Station (Permit No. 0086-SG-TSW)A

Information provided in this report is in accordance with the annual reporting requirements of the General Conditions section of the Solid Waste Transfer General Permit, Arkansas Regulation 22.904 (n), and correspondence from the Arkansas Department of Environmental Quality to all Solid Waste Permit Holders, dated September 15, 1995.

Annual reporting requirements include waste source, waste disposal location, and volume (or tonnage) of waste material processed at each site for the reporting period (October 1, 1999 through September 30, 2000). None of the referenced facilities regularly perform recycling operations. The attached tables provide the information required for each location.
