Dear Mr. Robbins:

This letter is to notify you that the Department of Pollution Control and Ecology has received a permit application from R.L.H. Sanitation to construct a landfill for the disposal of municipal and industrial waste to be located near the Three Brothers Community. More specifically the proposed site consist of portions of a 1900 acre tract lying primarily in Section 36, SE 1/4 of Section 26, S 1/2 of Section 25, NE 1/4 of Section 35 all in T-21-N, R-14-W in Baxter County. The Department has scheduled an inspection of the site where the landfill is proposed to be located on March 3, 1987. If you are interested in attending and commenting on the technical suitability of the property we will meet at the R.L.H. office at 1305 E. 16th St. in Mt. Home at 11:00 A.M. and proceed to the site. Prior to the inspection and subsequent processing of the permit, the Department requests written comments from any interested parties concerning the application. If we have not received written comments within fifteen (15) days after the previously mentioned pre-site inspection date, the Department will assume that there are no objections or concerns with proposed site location. Interested parties are encouraged to be present during the site inspection.

Please address any comments or questions you may have to Mark Witherspoon, or me at this Department, phone 562-7444.

Sincerely,

*Tony Morris*
