Gentlemen:

Waste Management of Arkansas, Inc. has recently experienced some employee turnover in our technical department. To ensure efficient information flow between Waste Management and ADEQ, we ask that you disseminate the attached document to affected personnel in your divisions.

If you or anyone in your division has any questions regarding the attached document, or other questions regarding regulatory and/or permitting associated with a Waste Management of Arkansas facility, please call me at (501) 570-1251.

Regards,

Roger E. Lawrence
Market Area Vice President & General Manager
