Re: Sunray Services, Inc. CAO #LIS 96-054 amended

Dear Mr. Eisele:

The enclosed drawing is submitted by Genesis Environmental Consulting, Inc. (GEC) on the behalf of Sunray Services, Inc. (Sunray) in response to agreements specified in the referenced order. More specifically, Paragraph 2 of the Order and Agreement section of amended Consent Administrative Order #LIS 96-054 executed on February 14, 1997 requires Sunray to submit a plan for correcting the specified design deficiencies noted. The environmental landfill enhancements are to be certified by an Arkansas registered professional engineer and comparable to those previously submitted.

If there are any questions, please contact me at this office. Thank you for your consideration.

Sincerely,

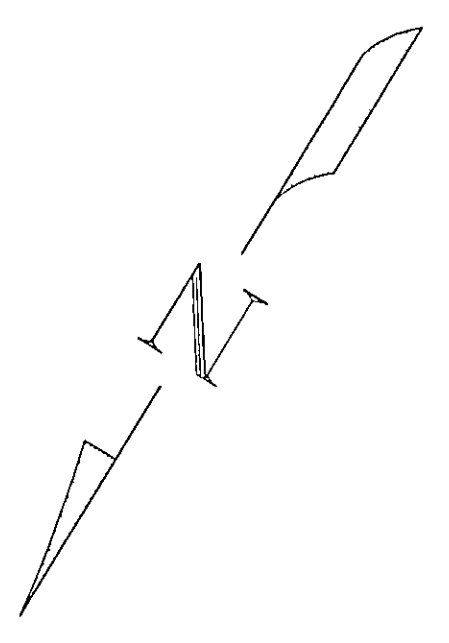

Ken Bown, P.E.
