RE: Return of Permit Modification Application
Waste Management of Arkansas – Eco-Vista Transfer Station
Permit Number: 0023-STSW-MC AFIN: 72-00144
Cross Reference: 51442, 51952, 53304

Dear Mr. Gardener:

After review of the application documents and consideration of multiple deficiency notifications referenced above, ADEQ is closing review of the application submitted on January 14, 2008. In accordance with Regulation 22.304(b), the application is considered returned and will no longer be considered. When deficiency items are addressed, the application may be resubmitted at any time in accordance with all regulatory requirements in effect at that time.

If you have any questions or comments, please contact me at (501) 682-0601.

Sincerely,

Bryan Leamons, P.E.
Engineer Supervisor
