RE: Revised Operating Plan Eco-Vista, LLC Compost Facility
Permit Number: 0013-SCYW-MC AFIN: 72-00144
Document Number: 58800 Cross Reference Number: 58772

Dear Ms. Rotenberry:

The Arkansas Department of Environmental Quality-Solid Waste Management Division has received and reviewed the revised Operating Plan for the above reference facility submitted on your behalf by Shepherd Engineering and Design Company, Inc.

Based on the information provided, the SWMD hereby approves the revised Operating Plan for your facility and has placed the plan in the facility record. This authorization is being given in reliance upon the statements and representations made to the Department, and the Department has no responsibility for ultimate proper functioning of the disposal facility. The Department also reserves the right to request additional information if it is deemed necessary. This approval shall not remove any liability nor hold Eco-Vista Compost Facility harmless in the event of any adverse environmental or public health conditions resulting from the proposed activities. Eco-Vista Compost Facility shall be solely and fully responsible for implementing any corrective action necessary to remediate any adverse condition resulting from these activities at the site based on this authorization.

If you have any questions or comments regarding this correspondence, please contact me at (501) 682-0608.

Sincerely,

Maria Matoska
Permit Engineer
