Re: Cooper Tire & Rubber Company –
Texarkana Regional Inspection Point – Permit Number 0134-SG-WTX
AFIN: 46-00255, Waste Tire Collection Center Permit Renewal and Annual Report

In accordance with Section 10 (Waste Tire Collection Center Requirements) of Regulation 14, Waste Tire Program, Cooper Tire & Rubber Company - Texarkana Regional Inspection Point located at 2801½ Washington Road, Texarkana, Arkansas is required to submit the attached Waste Tire Collection Center Annual Report (Form TP8), a copy of the waste tire notification to the Texarkana, Arkansas Fire Department, and the \$25.00 annual permit fee.

The Texarkana Regional Inspection Point receives used tires from Cooper customers (retail stores) in 8 states including Colorado, New Mexico, Kansas, Oklahoma, Texas, Arkansas, Louisiana, and Mississippi. The facility may store between 500 - 3,000 waste tires in locked semi trailers. During normal operation there are no more than three trailers staged at the location at any one time. When a trailer is filled to capacity, it is taken to one of several beneficial use facilities.

In addition, Cooper Tire & Rubber Company operates a tire manufacturing facility located at 3500 Washington Road, Texarkana, Arkansas. This facility is not regulated under Regulation 14, Waste Tire Program; however is responsible for proper handling and disposal of manufactured scrap tires. In calendar year 2010 the manufacturing facility generated 136,011 total scrap tires. These tires were transported to the following beneficial use facilities for processing.

<u>Tires Generated</u>	<u>Processor</u>	<u>Location</u>	<u>End Use</u>
96,960	Benson Environmental	Sibley, LA	TDF
39,051	Geocycle	Ada, OK	TDF

If you have any questions or concerns regarding Cooper's activities at the Texarkana Regional Inspection Point, please contact Timothy Bunn, Manager, at (870) 772-2747 or Charles Allen, Environmental Coordinator, at (870) 779-4260.

Sincerely,

J. Scott Cole
Plant Manager

Mr. Bobby Honea, Fire Chief
Texarkana, Arkansas Fire Department
416 East Third
Texarkana, AR 71854

Re: Cooper Tire & Rubber Company –
Texarkana Regional Inspection Point – Permit Number 0134-SG-WTX
AFIN: 46-00255, Waste Tire Collection Center Annual Notification

Dear Mr. Honea:

Cooper Tire & Rubber Company is currently permitted to store waste tires at the Texarkana Regional Inspection Point located at 2801 ½ Washington Road in Texarkana, Arkansas. A map indicating the facility location is attached. The Texarkana Regional Inspection Point receives and inspects adjustment tires returned from customers (retail stores). The facility may temporarily store between 500 - 3,000 scrap tires in no more than three locked semi-trailers at any given time. As required by the referenced permit and Arkansas Pollution Control and Ecology Commission Regulation 14, Section 10, this letter serves as annual notification of the activities.

If you have any questions or concerns regarding Cooper's activities at the Texarkana Regional Inspection Point, please contact Timothy Bunn, Manager, at (870) 772-2747 or Charles Allen, Environmental Coordinator, at (870) 779-4260.

Sincerely,

J. Scott Cole
Plant Manager
