RE: Void Status of Eco-Vista Waste Tire Processing Permit
Permit Number: 0005-SWTP **AFIN: 72-00144**
Document Number: 60063 **Cross Reference Number: 60029**

Dear Ms. Rotenberry:

The Department of Environmental Quality-Solid Waste Management Division has received and reviewed your request to not renew the waste tire processing permit (0005-SWTP) for the Eco-Vista Waste Tire Processing Facility. It has been determined that since the facility was never constructed, no further action is necessary for closure.

The Department hereby voids permit number 0005-SWTP. Since your permit has been voided, regulatory requirements such as facility inspections, annual reporting, permit fees and financial assurance will no longer be required for this facility. If you have any comments or questions, please contact me at (501) 682-0608.

Sincerely,

Karen Bassett, Chief Deputy Director ADEQ
