Mr. Gary Meadors
ADEQ Inspector
Solid Waste Division
5301 Northshore Drive
North Little Rock, AR 72118-5317

In response to your inspection of our Class 1 landfill, here are our responses to those inspections.

Class 4:

Nabors will dig out the wet clay and add more soil and re-compact it. We will also continue collect leachate in our leachate holding tanks to get leachate off of the sump in our class 4. This will be done by the end of next month.

Sincerely

Jason Kincade
