Dear Mr. Meador:

Per your quarterly inspection of Class V on August 20, 2013, the following measures have been/will be taken to correct the problems noted:

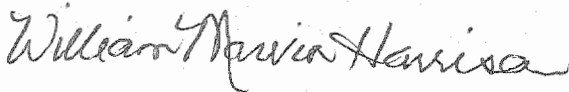

607(0) – The two leachate leaks were fixed as of today's date.

607(h)(2) – We will continue to work on erosion and vegetation as needed.

Per Class I inspection:

We will continue to work on erosion and vegetation as needed.

Sincerely,

William Marvin Harrison  
Landfill Manager
