RE: Return of Incomplete Application – Minor Modification Request – March 30, 2012
NABORS Class 4 Landfill
Permit Number: 0249-S4 AFIN: 03-00051
Document Number: 66545 Cross Reference Number: 62075

Dear Mayor Crockett:

The Solid Waste Management Division (SWMD) received a minor modification request for the facility referenced above on March 30, 2012. After review of the application, SWMD issued a notice of deficiency (NOD) on April 23, 2012. The applicant resubmitted the request on September 21, 2012, with response to deficiency No. 1. Item No. 2 related to a deficiency in financial assurance which is ongoing as of the writing of this letter. On January 23, 2013, SWMD notified the applicant a second time that the financial assurance requirements must be met prior to issuance of the modification and this is a requirement of A.C.A. 8-6-1601. In consideration of the remaining deficiency, the application is being returned to the applicant under the provisions outlined by Regulation 22.304(b). Review of this application is discontinued and the application is hereby considered "returned."

Please call me at (501) 682-0600 with questions or comment regarding this matter.

Sincerely,
