Cross Reference: 72248

Dear Mr. Fowler:

The Arkansas Department of Environmental Quality Office of Land Resources (ADEQ) Regulated Waste Operations has reviewed the work plan to extend monitoring wells and gas probes at NABORS landfill. ADEQ approves the work plan and request that SCS please coordinate with local contractors on site to complete the project to support the NABORS landfill closure operations.

If you have any questions, please contact me at [lee@adeq.state.ar.us](mailto:lee@adeq.state.ar.us) or 501-682-0870.

Sincerely,

A handwritten signature in blue ink, appearing to read "Weston Lee", is written over a light blue horizontal line.

Weston Lee  
Lead Special Projects Engineer  
Regulated Waste Operations  
Office of Land Resources
