Re: NABORS Landfill
1320 Landfill Road, Mountain Home, Baxter County, Arkansas
AFIN 03-00051; Wastewater Contribution Permit No. #593

Dear Ms. Hoggard:

The Arkansas Department of Environmental Quality (ADEQ) has reviewed your letter dated October 13, 2017. ADEQ has spoken with its consultant to ensure that proper testing will be conducted in the future. The consultant has assured ADEQ that it is aware of the problem and will ensure all future testing is in compliance with the Permit.

Due to organizational changes, ADEQ wishes to designate new authorized signatories under the Permit. I have enclosed two (2) forms authorizing the following individuals to certify reports on behalf of ADEQ:

Mr. Kevin White, Associate Director of the Office of Land Resources; and
Dr. Bob Blanz, ADEQ Chief Technical Officer

If you have any questions, please contact Mr. Weston Lee of my staff at lee@adeq.state.ar.us or 501-682-0870.

Sincerely,

A handwritten signature in black ink, appearing to read "Becky W. Keogh", with a long, sweeping horizontal line extending to the right.

SECTION I: SIGNATORY REQUIREMENTS

Cognizant Official (Duly Authorized Representative)

40 CFR 122.22(b) states that all reports required by the permit, or other information requested by the Director, shall be signed by the applicant (or person authorized by the applicant) or by a duly authorized representative of that person. A person is a duly authorized representative only if:

- (1) the authorization is made in writing by the applicant (or person authorized by the applicant);
- (2) the authorization specifies either an individual or a position having responsibility for the overall operation of the regulated facility or activity responsibility, or an individual or position having overall responsibility for environmental matters for the company.

The applicant hereby designates the following person as a Cognizant Official, or duly authorized representative, for signing reports, etc., including Discharge Monitoring Reports (DMR) required by the permit, and other information requested by the Director:

Signature of Cognizant Official:  Date: 11/17/17
Printed name of Cognizant Official: Mr. Kevin White
Official title of Cognizant Official: Associate Director Telephone Number: 501-682-0962

Responsible Official

The information contained in this form must be certified by a **responsible official** as defined in the "signatory requirements for permit applications" (40 CFR 122.22).

Responsible official is defined as follows:

Corporation, a principal officer of at least the level of vice president

Partnership, a general partner

Sole proprietorship: the proprietor

Municipal, state, federal, or other public facility: principal executive officer, or ranking elected official.

 (Initial) "I certify that the cognizant official designated above is qualified to act as a duly authorized representative under the provisions of 40 CFR 122.22(b)." NOTE: If no duly authorized representative is designated in this section, the Department considers the applicant to be the responsible official for the facility and only reports, etc., signed by the applicant will be accepted by the Department.

____ (Initial) "I certify that, if this facility is a corporation, it is registered with the Secretary of State in Arkansas. Please provide the full name of the corporation if different than that listed in Section A above."

"I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information including the possibility of fine and imprisonment for knowing violations. I further certify under penalty of law that all analyses reported as less than detectable in this application or attachments thereto were performed using the EPA approved test method having the lowest detection limit for the substance tested."

Signature of Responsible Official:  Date: Nov 21, 2017
