Dear Ms. Mack:

Pine Bluff Arsenal has previously notified the Department that we would be discontinuing use of our existing Class II sanitary landfill before the October 9 compliance deadline. Since this deadline has been extended until April 1994, PBA has decided to continue use of this facility to allow more time for our sanitation contract to be modified to include off-site waste disposal at the Jefferson County Landfill facility. If our existing disposal capacity is exhausted before the April 1994 deadline, we will begin disposal at the county facility at that time. The Department will be notified by letter should this situation occur.

If there are further questions or comments, please contact Mr. Phillip Vick at 540-2810.

Sincerely,

LULA H. DICKSON
Acting Director, Environmental and Natural Resources Management
