Subject: Eco-Vista Compost Facility - 2021 Annual Report (0013-SCYW; AFIN: 72-00144)

Good afternoon Ms. Cusher,

Please find attached the 2021 Annual Report for the Eco-Vista Compost Facility (Permit No. 0013-SCYW; AFIN: 72-00144). The closure cost estimate for the Compost facility is included with the Class 1 Landfill Closure Cost Estimate. Please let me know if you have any questions or comments.

Thanks!

2021 ANNUAL REPORT

WM Eco-Vista Compost Facility
Springdale, Arkansas

Permit No. 0013-SCYW
AFIN: 72-00144

March 31, 2022
Promus Project No. 220044

Prepared for:
Eco-Vista, LLC.

Prepared by:

2021 ANNUAL REPORT
WM Eco-Vista Compost Facility
Permit No. 0013-SCYW AFIN: 72-00144

The following information is provided in accordance with Regulation 22.808(c) and Part II, Condition 23 of General Permit 0001-SCYW.

1) Monitoring results of stormwater runoff/or site discharges as required by facility NPDES permits;

In accordance with NPDES Industrial Stormwater General Permit ARR000231, a stormwater sample was unable to be collected during the reporting period due to no discharge from the outfall.

2) A summary narrative of any changes to site design, changes in operations, or necessary maintenance or remedial measures taken at the facility during the past reporting period;

There were no design or operational changes during the reporting period.

3) Quantity, type, and source of incoming waste on a monthly basis;

During the 2021 calendar year, the site documented a “running total” of gate tons received by customer.

- a) The quantity, type, and source of incoming waste for the reporting period is provided in the table below.

Month	Source (Customer Name)	Waste Type	Quantity (Gate Tons)
January	Washington/Benton Counties	Yard Waste	108.92
February	Washington/Benton Counties	Yard Waste	72.19
March	Washington/Benton Counties	Yard Waste	276.65
April	Washington/Benton Counties	Yard Waste	238.03
May	Washington/Benton Counties	Yard Waste	189.37
June	Washington/Benton Counties	Yard Waste	230.53
July	Washington/Benton Counties	Yard Waste	36.76
August	Washington/Benton Counties	Yard Waste	55.04
September	Washington/Benton Counties	Yard Waste	42.85
October	Washington/Benton Counties	Yard Waste	35.35
November	Washington/Benton Counties	Yard Waste	44.12
December	Washington/Benton Counties	Yard Waste	82.06
		Total	1,411.87

b) The amount of compost material processed during the reporting period is calculated below.

Volume of Compost Received:	1,411.87	gate tons, or
(Conversion of 0.254 gate tons ≈ 1 gate cubic yard (cy))	5,558.54	gate cy
i. From private parties	0	gate cy
ii. From WM service collection	5,558.54	gate cy

A conversion factor is used of 3 gate cy to 1 finished cy of processed material:	1,852.85	compost cy
--	----------	------------

4) Quantity of compost sold or distributed on a monthly basis;

The finished compost can be used for on-site and off-site purposes. However, no compost material was sold or distributed during the reporting period.

5) Quantity of residue removed for disposal, and the date and location of disposal;

a) The quantity of residue removed from the composting area during the reporting period is provided below.

Volume of Processed Compost Material Removed:	1,852.85	compost cy
i. Provided to private citizens	0	compost cy
ii. Provided to Cities/Counties	0	compost cy
iii. Provided for On-Site uses	1,852.85	compost cy

b) Approximately 1,852.85 cubic yards of processed compost material was used on the side slopes of the landfill as a soil amendment and to help vegetation during the reporting period.

6) Any other information that may affect compliance with Regulation 22.

a) Compliance Record: During the reporting period, inspections were conducted by the DEQ and the following comments were made:

Inspection Date	Comments
February 1, 2021	None
June 22, 2021	None
July 6, 2021	None
December 8, 2021	None

b) In May 2017, the ADEQ issued a new General Permit for Yard Waste Compost facilities. On May 9, 2017, Terracon Consultants, Inc. submitted a NOI for coverage under the new General Permit. The General Permit Coverage was issued on June 8, 2017 and it was noted that the financial assurance requirements are included in the Eco-Vista Class 1 Landfill Closure Cost Estimate, which is updated annually with the AEIR.
