RE: Yell County Sanitation – Dardanelle Transfer Station
AFIN No. 75-00305
Solid Waste Permit No. 0074-STSW-A

Please find attached the 2021 Annual Report for the Yell County Sanitation - Dardanelle Transfer Station. This report is being submitted as required by ADEQ Solid Waste Regulation 22, Section 22.90(n). This report covers the period from January 1, 2021 to December 31, 2021.

The Dardanelle Transfer Station received approximately 3515 tons of Class 1 & 4 solid waste during the reporting period. Solid waste is generally derived from the City of Dardanelle and surrounding rural areas in Yell County as shown in the annual report. The entire volume of solid waste was transferred from the facility and disposed of at the Ozark Ridge Landfill during the reporting period.

Approximately 59.65 tons of recyclables were recovered during the reporting period. Recyclables were transferred from the facility to Haston Recycling in Atkins, Arkansas.

Sincerely,

Yell County Judges Office
