Dear Mr. Charles:

The Arkansas Department of Environmental Quality Office of Land Resources (ADEQ) Regulated Waste Operations has received the 2021 Annual Compost Station Report for the City of Little Rock received April 18, 2022. The DEQ acknowledges the Report and has one comment for future Reports. If no compost is generated but the report lists yard waste that has been sold or recycled, please clarify that the sold or recycled material is yard waste that has been ground and screened prior to being sold or recycled. If you have any questions or need additional information, please contact me at (501) 682-0861 or bennett@adeq.state.ar.us.

Sincerely,

A handwritten signature in black ink that reads "Richard Bennett".
