

Dear MR. Jones,  
my husband and I  
have lived at this  
address (612 ARBOR ACRES AVE)  
for 36 years. We have  
to live with bad road:  
smells, etc for so long.  
We do not want the  
Class 4 expansion of waste  
management to be approved.  
We are concerned for  
our health also.

no one living here  
should have to  
put up with  
this. People  
RAY well  
it has  
to be  
somewhere. That's true.  
But would they want it  
by their homes? There is  
so much land west  
of  
Boen that is  
1612 Arbor Acres Ave.  
Springdale, AR 72762  
not populated, that

Would be ideal,  
Please consider all  
of us who have  
made this our  
home for so many  
years, and deny  
another expansion.  
Thank you so much,  
Mr. & Mrs. Gene Boen
