RE: Submittal of Disposal Fee Plan required by March 31, 2023
AFIN: 72-00144 Permit: 0290-S1-R2

Dear Jodi Reynolds-Coffelt:

APC&EC Rule 11.204(A) states that “each landfill and each transporter, required under this rule to pay disposal fees, shall provide a written Disposal Fee Plan to the Division that establishes an accurate method of quantifying the amount of solid waste received and a suitable means calculating the amount of disposal fees payable to the Division pursuant to Ark. Code Ann. §§ 8-6-606 and 8-6-1003 *et seq.* and this Rule”. DEQ requires that each landfill and transporter submit an updated Disposal Fee Plan every five (5) years.

In order to increase efficiency and simplify this process for the solid waste landfills and transporters, the Division of Environmental Quality, Office of Land Resources (DEQ) has updated the Disposal Fee Plan (DFP) and Disposal Fee Plan Narrative (DFPN). The DFP and DFPN have been merged into a single, PDF fillable form (DFP). The new DFP form will need to be completed and returned to DEQ by March 31, 2023. A copy of the DFP has been included in this letter, or you can access the new DFP (Solid Waste Disposal Fee Plan) via DEQ’s website: <https://www.adeq.state.ar.us/home/forms/>.

Please complete the new DFP form including a sample waste ticket for the facility within (30) calendar days of receipt of this letter for DEQ review and approval. Should you have any questions, contact me at (501) 682-0587 or burke@adeq.state.ar.us.

Sincerely,
