RE: NABORS Landfill
Approval of Path forward for Dye Trace Investigation and Borehole Decommissioning
Permit No: 0249-S1-R2 AFIN: 03-00051
Document Number: 84840 Reference Document ID: 84826

Dear Mr. Janssen and Mr. McCullough,

The Division of Environmental Quality Office of Land Resources (DEQ) has reviewed and approves the November 6, 2023 submittal that included a path forward for the Dye Trace Investigation and the borehole decommissioning at the NABORS Landfill (Document ID 84826).

The general contents of the dye trace investigation report is listed within Document ID 83185. For the borehole decommissioning, please provide a final report detailing the decommissioning activities. Both the dye trace report and borehole decommissioning report should be stamped by an Arkansas professional geologist.

If you have any questions or need any additional information, please contact me at 501-682-0606 or sadler@adeq.state.ar.us.

Sincerely,

A handwritten signature in blue ink that reads "Bill Sadler".
