

ARKANSAS POLLUTION CONTROL  
AND ECOLOGY COMMISSION

SUBJECT – In The Matter of C&H Hog  
Farms, Inc.

Docket No. 18-001-P

MINUTE ORDER NO. 18-20

PAGE 1 OF 1

---

On July 10, 2018, Charles Moulton, Administrative Law Judge ("ALJ"), issued Order No. 14 (Recommended Decision) in Docket No. 18-001-P, which is a case styled: In the Matter of C&H Hog Farms, Inc.

Order No. 14 finds that there are no material facts in dispute and, based on the law, remands this case back to ADEQ with the following instructions:

1. ADEQ shall issue its denial of C&H's Regulation No. 5 permit as a draft denial and accept public comment on that draft decision for a period of at least thirty (30) days in accordance with Ark. Code Ann. §§ 8-4-203(e)(1)(A), (B), and (C)(i); and
2. Based on the analysis and law set forth above, the ALJ finds that remaining issues contained in C&H's Request for Commission Review and Adjudicatory Hearing are hereby moot.

The record compiled in this docket by the ALJ and Order No. 14 came before the Commission at its August 24, 2018 meeting. After considering the matter, the Commission adopts and affirms, without modification Order No. 14 (Recommended Decision) entered on July 10, 2018, and closes this docket.
