Location Description:

Go south on I-530 toward Pine Bluff, exit on the Sheridan exit. Go all the way to Sheridan. Take Hwy. 46 out of Sheridan towards Lono. When you see the Game & Fish Commission sign, you proceed about a block further and turn right at the end of the cut over. Alleged violator lives just beyond cut over on the right. You can see the ditch and tires from the road.

Complaint Description of Waste: In the valley coming down toward the Cox Creek Lake, alleged violator is stacking up tires along the property line. There are several hundred tires there at this time. Tires are filling up with water because they are on a slop moving downhill. This causes mosquito problems.
