**Comments:**

09/26/06 – I met with Mr. John Payne, Division Chief/Fire Marshall of the Maumelle Fire Department and Mr. Don Harbour, Maumelle Code Enforcement Officer at the Maumelle Fire Station #1 at approximately 0845 on this date. We discussed their investigation into the dumping and burning on land owned by Country Club of Arkansas, LLC, on Country Club Parkway in Maumelle, Arkansas. We then proceeded to the site where I noted a large area with burned or partially burned materials on the ground. Upon further investigation, I noted sheetrock, gallon paint cans, PVC pipe, both burned and unburned, lumber, five gallon paint cans, plastic, soft drink bottles and soft drink styrofoam containers, caulk containers, containers of mineral oil, the burned remains of a computer, a hot water heater, paint thinner containers, lacquer thinner containers, empty concrete bags, and burned tree stumps. Due to the fire, there were other unidentifiable materials also. I also noted paper and plastic blown out from the dump site into the trees and ground surrounding the area.

I estimated the visible waste to be approximately eight 40 yard roll-off containers in volume, possibly more.

Mr. Payne provided me with photographs, notes, and names found in the waste for my records. After taking photographs, I exited the area at approximately 1005.

**FURTHER ACTION TAKEN/TO BE TAKEN:**

I will send a letter to Mr. John T. Wright of Country Club of Maumelle, LLC.

**Comments:**

10/16/06 – I entered the site on this date and noted that all of the visible waste appears to have been removed. Mr. Jack Wilson, Manager of Country Clubs of Arkansas, LLC, has provided waste disposal receipts showing that the waste was taken to Palarm Sand and Gravel Class IV landfill. There are approximately 12 tires that still need to be removed from the site. Mr. Wilson also stated that his company was not responsible for dumping the materials at this location. He stated that signs are in place and access to the area has been blocked off, as I can attest to during this inspection.

**FURTHER ACTION TAKEN/TO BE TAKEN:**

I will send a letter to Mr. John T. Wright of Country Club of Maumelle, LLC.

10/16/06 - Once the tires are removed, no further action is planned.

RE: Illegal dump site Country Club Parkway

Dear Mr. Burks:

We have received the report of your follow-up inspection of the dump site referred to above. As noted per your inspection, there are several tires which need disposal. Due to the recent frequent rains, it has been too wet to get our trucks into this area to remove the tires. As soon as weather and soil conditions permit, the tires will be taken to a facility for disposal.

Sincerely,

Dear Mr. Burks:

This letter is in response to your letter dated September 27, 2006 regarding an illegal dump site found on our property. While we were not involved in the dumping of the waste, we began a cleanup of the area on Friday, September 27. We have moved a trackhoe and dump truck to the site and have completed the removal of the waste to a landfill. Enclosed are the waste disposal tickets for your review.

We will be posting "No Trespassing" and "No Dumping" signs at all access points to the property as well as placing barriers where possible to prevent unauthorized access onto the property.

With regards to the points assigned to this item, we would request that the points be lowered or removed as we were not 'operating a solid waste disposal facility' and the dumping was occurring without our consent. In addition, we had requested assistance from the City of Maumelle to help control the problem.

If you have any questions or need additional information, you may contact me at 501-690-0244.

Mr. John T. Wright, Sr.  
Country Club of Arkansas, LLC  
P.O. Box 13857  
Maumelle, AR 72113

Dear Mr. Wright:

On September 26, 2006, I performed an investigation of your property located on Country Club Parkway in Pulaski County. This investigation was in response to a complaint alleging illegal dumping. My investigation revealed that you are in violation of the Arkansas Solid Waste Management Act, A.C.A. § 8-6-205. Specifically, I found the following violation(s):

Operation of an unpermitted solid waste disposal facility, which is in violation of §8-6-205 (a) (1)(2)(3) and (5). The waste dumped at this site consists of construction waste. **"No person shall dispose of solid waste at any disposal site or facility other than a disposal site or facility for which a permit has been issued by the Department"**.

By law, anyone who violates any provision of the Solid Waste Management Act may be subject to criminal, administrative and civil penalties up to \$10,000.

You should immediately cease the activity described above and undertake measures to correct the violation. You should notify me in writing at the address below or call (501)682-0581 within **20 days** of the date of this letter with a plan of action for correcting the violation.

Please be advised that failure to make contact with me in regard to this notification may warrant formal enforcement. Your cooperation is appreciated.

Sincerely,

Kenneth Burks, Inspector  
Solid Waste Division
