**INSPECTOR:** Tony Morris

**DATE:** 12/07/10

**ACTION TAKEN:** Site visit on 12/07/10, phone conversation with Rod Davis on 12/09/10.

**PHOTOS TAKEN:** No

The 38 acre site was visited on 12/07/10. The property had been clear cut approximately 2 years ago. Recently, timber haul roads were graveled and a vented ford crossing was constructed across Turkey Creek near Hwy 9. The property has been listed for sale by LandsofArkansas. The property will not be subdivided and no additional constructions is anticipated by the owners according to Mr. Rod Davis who is acting as the agent for the company.

The property is not being developed and no further construction will take place. The vented ford crossing and improvement of timber haul roads are timber related BMP's intended to reduce the sediment load to the stream. The site does not require regulation by the Storm Water Program.

**FURTHER ACTION TAKEN/TO BE TAKEN:** No further action.
