ADDITIONAL OUTFALLS CAN ADDED USING SEPARATE ATTACHED PAGES.

ADDITIONAL PERMIT INFORMATION

1. Is the permittee capable of meeting the applicable effluent limits and conditions of the general permit? YES NO*
 * If the answer is NO, **DO NOT** submit the NOI for permit coverage.

2. Facility has Individual NPDES Permit: YES (Permit Number _____) NO

3. **Disclosure Statement:** Arkansas Code Annotated Section 8-1-106 requires that all applicants for the issuance or transfer of any permit, license, certification or operational authority issued by the Arkansas Department of Environmental Quality (ADEQ) file a disclosure statement with their applications. The filing of a disclosure statement is mandatory. No application can be considered complete without one. You must submit a new disclosure statement even if you have one on file with the Department. The form may be obtained from ADEQ web site at: http://www.adeq.state.ar.us/disclosure_stmt.pdf

CERTIFICATION

"I certify that, if this facility is a corporation, it is registered with the Secretary of the State of Arkansas."

"I certify that the cognizant official designated in this Application is qualified to act as a duly authorized representative under the provisions of 40 CFR 122.22(b). If no cognizant official has been designated, I understand that the Department will accept reports signed only by the Applicant. I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."

Subject: Delek Tank 170

This email is to confirm that the 120K barrel Tank 170 belonging to Delek Logistics Partners, LP located in El Dorado, AR has recently had the bottom and roof replaced. The bottom has been sandblasted and coated. The sides were brush blasted removing rust and petroleum residue. The tank is now under hydrotest with 100K bbls of water that was purchased from the city of El Dorado.

Thanks...

John H. Warren
