RE: Administrative Permit Modification – Removal of Expiration Date
Union County Recycling and Disposal Facility Class 1 Landfill
Solid Waste Permit # 0248-S1-R4; AFIN: 70-00364
Document Identifier # 59544; Cross Reference Identifier # 59402

Dear Mr. Smith:

The Arkansas Department of Environmental Quality-Solid Waste Management Division (ADEQ-SWMD) has received your request to extend the duration of the above referenced permit for the Union County Recycling and Disposal Facility Class 1 Landfill (Permit # 0248-S1-R4). Under current regulations the landfill permit is effective as long as the waste remains within the permitted boundaries and does not exceed the permitted capacity, fill volume or elevations.

The ADEQ-SWMD hereby provides this administratively modified permit with expiration date removed and permit condition number 2 revised. Attached is the new permit cover page for the Union County Recycling and Disposal Facility Class 1 Landfill. Please replace the existing cover page of your permit with the new cover page.

If you have any questions regarding this correspondence, please contact me at (501) 683-3395.

Sincerely,

Roger Lawrence
Chief, SWMD

cc: Chris Voss, District Field Inspector, SWMD
Paul Crawford, FTN Associates, Ltd.

Design Engineer/Consultant	Genesis Environmental Consulting, Inc., 11400 West Baseline Road, Little Rock, AR 72209

DESCRIPTION OF THIS PERMIT ACTION: This modification is to remove the permit expiration date.

PERMIT CONDITIONS: This permit authorizes the operation of the Solid Waste Disposal Facility as set forth in the original application dated September 21, 1987 and revised on December 10, 1987 and February 22, 1988 and modifications dated November 23, 1993, December 1, 1994 and February 6, 1997. A request to transfer the permit from Waste Management of Arkansas, Inc. to Waste Corporation of Arkansas, Inc., hereinafter called "owner" or "permittee", was received by the Department of Environmental Quality on November 3, 2000. This permit is issued pursuant to the provisions of the Arkansas Solid Waste Management Act (Arkansas Code Annotated 8-6-201 et seq.) as amended, hereinafter called the "Act"; Regulation Number 22, Arkansas Solid Waste Management Code, as adopted by the Pollution Control and Ecology Commission, hereinafter called "Regulation 22"; and all other applicable rules and regulations of the Department of Environmental Quality, hereinafter called "Department", and the following terms and conditions:

1. The disposal facility shall be constructed, maintained, and operated in accordance with the final plans, specifications and operation narrative as approved by the Department and in compliance with all applicable provisions of the Act, Regulation 22, and all other applicable rules and regulations.

2. Under current regulations the landfill permit allows active fill operations, closure and post-closure phases of the landfill. Active fill operations are permitted as long as the waste remains within the permitted boundaries and does not exceed the permitted capacity, fill volume or elevations. The Department shall be notified in writing upon construction of each disposal unit or portion of a unit is complete and upon closure of each unit to assure timely inspection of the facilities can be made.

See Attached Sheet(s) For Additional Conditions
