**PUBLIC NOTICE
ANALYSIS OF BROWNFIELD CLEANUP ALTERNATIVES**

Facility: Luxora Elementary School
Facility Location: 406 Washington Avenue, Luxora, Ark. 72358 (Mississippi County)
Brownfield Participant: City of Luxora

The Arkansas Department of Energy and Environment, Division of Environmental Quality (DEQ), has proposed an Analysis of Brownfield Cleanup Alternatives (ABCA), which outlines proposed remedial actions for the former Luxora Elementary School at 406 Washington Avenue, Luxora, Ark. (Mississippi County).

The public may review the proposed ABCA and associated environmental assessments and plans on the DEQ website at <https://www.adeq.state.ar.us/hazwaste/programs/brownfield> and at the Osceola Public Library located at 320 W. Hale Avenue, Osceola, Ark.

Persons wishing to comment on the proposed ABCA may submit written comments, along with their name and mailing address, to DEQ by mail or by email. The period for submitting comments on the proposed ABCA shall begin on the date of publication of the public notice and end at 4:30 p.m. on the 30th day after the publication date.

Please submit comments by mail to:

Dianna Kilburn, Managing Geologist
Office of Land Resources
Division of Environmental Quality
5301 Northshore Drive, North Little Rock, AR 72118

Please submit comments by email to: ee.brownfields@arkansas.gov.

This notice offers the opportunity to comment and request a public hearing prior to DEQ making a final remedy determination in accordance with rules of the Arkansas Pollution Control and Ecology Commission (PC&EC) codified in 8 CAR pt. 11 and 8 CAR pt. 82 available at <https://codeofarules.arkansas.gov>.

Dated this 16th day of October, 2025
