

SURFACE MINING AND RECLAMATION DIVISION
GENERAL PERMIT NUMBER 0002-MN-AG2

RESPONSIVE SUMMARY

Comment No. 1: We recommend that in Part III Paragraph F, the phrase “ten (10) working” be changed to “thirty (30)”. Reg.15.311(F)(1) uses thirty days for applying for a reissued general permit.

Response to Comment No. 1: The Mining Division has made the recommended change.

Comment No. 2: We recommend that language be inserted into General Permit 0002-MN-AG2 that incorporates the provisions of A.C.A. § 8-4-203(m)(5)(C) and A.C.A. § 8-4-203(m)(5)(D) dealing with continuation of general permit coverage after permit expiration. Other general permits issued by the Department currently have this type of language.

Response to Comment No. 2: The Mining Division has made the recommended change.
