

## Green Headquarters

# Arkansas Department of Environmental Quality

**ADEQ**  
A R K A N S A S  
Department of Environmental Quality

In 2007 ADEQ moved into a new, six-story headquarters in North Little Rock. The building was planned and constructed with environmental protection, energy efficiency, and appropriate use of resources in mind.

The building has received the Three Globe Standard from the Green Building Initiative, and the Gold Leadership in Energy and Environmental Design (LEED®) Rating from the U.S. Green Building Council. Building cost was just over \$22 million, or about \$178 per square foot.
