

Arkansas Computer and Electronic Waste Recycling Grants Program 2014 PRE-APPLICATION

Purpose The purpose of this form is for Regional Solid Waste Management Boards to submit a list and brief description of planned projects to the ADEQ.

Deadline The list of planned projects is required forty five (45) days prior to each grant round for written pre-approval by the ADEQ.

List and give a brief description of each planned e-waste project in your solid waste district. Provide enough details about the proposed project so that the ADEQ can determine if the project meets the intent and requirement of the APC&EC, Regulation 11.501, Computer and Electronic Equipment Recycling Grants Program.
