The dates listed above are consistent with APC&EC, Regulation 11.501, Computer and Electronic Equipment Recycling Grants Program. Districts are required to submit a pre-application to the Department for preliminary approval. A full grant application, including a budget and an agreement to comply with conditions and responsibilities of the grant, will be required of pre-approved projects the District board chooses to fund. Computer and Electronic Waste Recycling Grant recipients will be required to follow reporting procedures as found in Regulation 11.510(B).
