On March 5, 2002 Great Lakes Chemical Company ("GLCC") filed a Petition to Initiate Third Party Rulemaking to Amend Regulation No. 2, Water Quality Standards ("Petition"). Pursuant to Ark. Code Ann. § 8-4-202(c), the Arkansas Pollution Control and Ecology Commission ("Commission") has sixty (60) days in which to either institute rulemaking proceedings or to give written notice denying the petition for rulemaking.

The Commission's Regulations Committee met in March, 2002 to review GLCC's Petition. Having considered the Petition, the Regulations Committee recommends the Commission institute a rulemaking proceeding to consider adopting the proposed revision to Regulation No. 2. The Regulations Committee also proposes adoption of the following procedural schedule so consideration of this matter may proceed in an efficient and orderly manner.

1. GLCC and the Arkansas Department of Environmental Quality ("ADEQ") shall file an original and two (2) copies of all materials required under this Minute Order. Each party shall serve the other with the materials filed. This requirement does not apply to transcripts.

2. Persons submitting written public comments shall submit their written comments to the ADEQ. Within ten (10) business days following the adoption or denial of the proposed rule, the ADEQ shall deliver the originals of all comments to the Commission Secretary.

3. GLCC has filed with the Petition a red-lined version of the section of Regulation No. 2 which will be amended by the proposed rule.

4. GLCC has submitted to the ADEQ's public affairs office, the following:

- a. A proposed public notice to be used in mailing notice to interested persons, for publishing in appropriate industry, trade, or professional publications as the Commission may select. The proposed public notice may, in the ADEQ's discretion, be approved for use or the ADEQ may choose to prepare its own public notice. The public notice shall conform to the requirements of Regulation No. 8, Part 3, Section 3.1.3. The public notice shall be published not later than 45 days prior to public hearing. By agreement,

5. A public hearing or hearings shall be conducted the week of May 13, 2002 in Union County, Arkansas. The exact date, time and location of the public hearing will be determined by the ADEQ's Public Affairs office.
