DOCKET NO. 06-003-R

MINUTE ORDER NO. 17- 02

PAGE 1 OF 1

On January 13, 2006, River Valley Regional Water District filed a Petition to Initiate a Third Party Rulemaking. The Arkansas Pollution Control & Ecology Commission authorized initiation of the rulemaking by Minute Order 06-11, dated January 27, 2006.

Action on the rulemaking was subsequently stayed pending intervening rulemaking petitions by ADEQ and related reviews by EPA. The rulemaking proceedings by ADEQ and reviews by EPA are now complete. Taken collectively, those proceedings and reviews make further action on River Valley Regional Water District's rulemaking petition unnecessary.

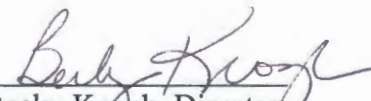

River Valley Regional Water District has now filed a Request to Withdraw its Third Party Rulemaking.

In consideration of the Request to Withdraw and the other pleadings and record in this docket, the Commission hereby grants River Valley Regional Water District's request. The rulemaking initiated by Minute Order 06-11 is hereby withdrawn and the docket is closed.
